

# 1995 MISSOURI INDIVIDUAL INCOME TAX FORM MO-1040 LINE-BY-LINE INSTRUCTIONS

## IMPORTANT: Complete your federal return first.

If you are filing an amended return, please check the box provided at the top left of the form and complete the **entire** return using the corrected figures. Also be sure to complete Lines 42, 43 and 44. If you are filing a fiscal year return, indicate the beginning and ending dates on the line provided near the top of the Form MO-1040.

## STEP 1 – NAME AND ADDRESS

If you received a postcard from the Department of Revenue or an income tax instruction booklet, please verify that the information on the label is correct. If all information is correct, attach the label to the Form MO-1040. If you did not receive a postcard or a booklet with a label, or the label is incorrect, print or type your name, address and social security number(s) in the spaces provided.

Enter your county of residence and the correct number of the public school district in which you reside. See school district listings on Pages 13 and 14 of the instructions.

## Non-Obligated Spouse

If you have any other liability due the State of Missouri, your income tax refund may be applied to that liability in accordance with Section 143.781, RSMo. The Internal Revenue Service (IRS) is not a state agency and refunds may be intercepted by the IRS. If you are filing a combined return and the State of Missouri is seeking to use your spouse's state tax refund to offset his/her state liability, you are entitled to receive your portion of the combined return refund as a non-obligated spouse. Check the appropriate box if you are a non-obligated spouse and wish to receive your portion of the refund.

## STEP 2 – CHECK YOUR FILING STATUS

### Lines 1 - 6 Filing Status and Exemption Amount

Check the box applicable to your filing status. You must use the same filing status as on your Federal Form 1040 with two exceptions:

- Box 3B may be checked **ONLY** if all of the following apply: (1) you checked Box 3 (married filing separate return) on your federal return; (2) your spouse had no income and is not required to file a federal return; and (3) your spouse qualifies as an exemption on your return and was not a dependent of someone else.
- Box 6 must be checked if you are being claimed as a dependent on another person's federal tax return and you were not allowed to check Box 6a on your Federal Form 1040 or 1040A, or you checked the "yes" box on Line 5 of Federal Form 1040EZ.

**Only one box may be checked on Lines 1 through 6.**

### Lines 7 - 10 Age 65 or Over and/or Blind

If either you or your spouse qualify for the 65 years of age or blind deduction on your federal return, the appropriate boxes must be checked in addition to one of the boxes checked on Lines 1 through 6.

## STEP 3 – FIGURE YOUR MISSOURI ADJUSTED GROSS INCOME

**NOTE: All amounts must be rounded to whole dollars.**

## INSTRUCTIONS FOR COMPLETING THE ADJUSTED GROSS INCOME WORKSHEET

Enter the part of the total income that is yours in Column Y and your spouse's portion in Column S. Income received from jointly held property – such as businesses, farm operations, dividends, interest, rent and capital gains (losses) – must be allocated to each spouse in proportion to his/her percentage of ownership in the property. (For example, you may own 50% of the business and your spouse may own the other 50%. Accordingly, business income would be split 50 – 50 between the spouses.)

Taxable social security benefits must be allocated between each spouse based on the proportionate share of gross social security benefits received for the tax year times Line 20b of Federal Form 1040 or Line 13b of Federal Form 1040A. State income tax refunds must be allocated based on the percent of earnings of each spouse for the tax year for which the refund was issued. When you have completed the worksheet, transfer the amounts from Line 18 to Form MO-1040, Line 11Y and 11S. The total of Line 18Y and 18S must be equal to Line 31 of the Federal Form 1040, to Line 16 of the Federal Form 1040A or Line 4 of the Federal Form 1040EZ.

# FORM MO-A INSTRUCTIONS INDIVIDUAL INCOME TAX ADJUSTMENTS

## PART 1 – MISSOURI MODIFICATIONS TO FEDERAL ADJUSTED GROSS INCOME

Form MO-A, Part 1, computes Missouri modifications to federal adjusted gross income. Modifications on Lines 1 and 2 **INCLUDE** income that is exempt from federal tax, but taxable for state tax purposes. Modifications on Lines 4, 5 and 6 **EXCLUDE** income that is exempt from state tax, but taxable for federal tax purposes. If after reviewing the instructions for Part 1, you have no modifications, enter on Lines 13 and 15 of Form MO-1040 the same amount(s) entered on Line 11 of Form MO-1040.

### Line 1 Interest on State and Local Obligations

If you received income from an obligation of a state or political subdivision of a state **other than Missouri**, enter the amount of that income, reduced by the related expenses incurred (management fees, trustee fees, interest, etc.) if the expenses are over \$500.

### Line 2 Partnership, Fiduciary, S Corporation, Other

Enter positive adjustments (additions), reported from partnerships, fiduciaries, S corporations or other sources. The partnership, fiduciary or S corporation must notify you of the amount of any such adjustment (addition) to which you are entitled. Check the boxes applicable on Line 2 and attach a copy of the notification received.

### Line 3 Total Additions

Add Lines 1 and 2. Enter the totals on Line 3 of Form MO-A and on Line 12, Form MO-1040.

### Line 4 Interest on Exempt Federal Obligations

Interest from **direct** obligations of the U.S. Government, such as U.S. savings bonds, U.S. treasury bills, bonds and notes is exempt from state taxation under the laws of the United States. Taxpayers who claim an exclusion for interest from **direct** U.S. obligations must identify the specific securities owned, e.g., "U.S. savings bond." A general description such as "interest on U.S. obligation" or "U.S. Government securities" is **not** acceptable. (See 12 CSR 10-2.150 for the taxability of various U.S. Government related obligations.) Failure to identify the security will result in the disallowance of the deduction.

A federally taxed distribution received from a mutual fund investing exclusively in **direct** U.S. Government obligations is exempt. If the mutual fund invests in both exempt (direct) and non-exempt (indirect) federal obligations, the deduction allowed will be the distribution received from the mutual fund attributable to the interest on the **direct** U.S. Government obligations, as determined by the mutual fund. Attach a copy of the year-end statement received from the mutual fund showing either the amount of monies received or the percentage of funds received from **direct** U.S. Government obligations, or a summary statement received from the mutual fund which clearly identifies the exempt and non-exempt portions of the U.S. Government obligation interest. The statement does not need to list each obligation separately. **Failure to attach the requested document will result in the disallowance of the deduction.**

### Line 5 State Income Tax Refund

Enter the amount of any state income tax refund included in Line 11, Form MO-1040. If the refund was issued to you and your spouse, it must be allocated between you and your spouse based on the percentage of income earned (Lines 16H and 16W) during the tax year for which the refund was issued.

### Line 6 Partnership, Fiduciary, S Corporation, Railroad Retirement Benefits, Other

Enter negative adjustments (subtractions), reported from partnerships, fiduciaries and S corporations. The partnership, fiduciary and S corporation must notify you of the amount of any such adjustment (subtraction) to which you are entitled. Check the boxes applicable on Line 6 and attach a copy of the notification received. **Failure to attach a copy of the notification furnished to you will result in the disallowance of the modification.**

RAILROAD RETIREMENT BENEFITS ADMINISTERED BY THE RAILROAD RETIREMENT BOARD, such as all Tier I and Tier II benefits and any railroad retirement sick pay, disability and unemployment benefits, included in federal adjusted gross income (Form MO-1040, Line 11), are exempt from state taxation.

Other sources of negative adjustments may be:

- (1) **ADDITIONAL CAPITAL GAIN DEDUCTION DUE TO DIFFERENCE IN BASIS.** If during the taxable year you realized a gain from the sale of property or other capital assets which had a higher tax basis for Missouri tax purposes than for federal tax purposes, you may exclude the gain or the difference in the basis of the property so disposed, whichever is smaller. If the gain was considered a long term capital gain for federal income tax purposes, the exclusion is limited to the gain or 50% of the difference, whichever is smaller. No difference in basis can be claimed for any property obtained after December 31, 1972. If your basis for Missouri purposes is less than the basis for federal income tax purposes, no adjustment is required.
- (2) **ACCUMULATION DISTRIBUTION.** If during the year 1995 you received a distribution as beneficiary of a trust that was made from accumulated earnings of prior years and you filed Federal Form 4970, the amount may be excluded from Missouri income to the extent that it was reported in your federal adjusted gross income.
- (3) **CAPITAL GAIN EXCLUSION ON SALE OF LOW INCOME HOUSING.** If during 1995, you sold a federally subsidized (HUD) low income housing project to a nonprofit or governmental organization, and at least 40% of the units are occupied by persons or families having incomes of 60% or less of the median income, you may exclude 25% of the capital gain from Missouri tax. However, the buyer of the property must agree to preserve or increase the low income occupancy of the project. To use this exclusion, enter as "other" 25% of the capital gain reported on your Federal Form 1040. Attach a copy of your Federal Form 1040 (Pages 1 and 2), Federal Form 4797, and an explanation.

Do not include income earned in other states on Line 6. Complete Form MO-NRI (Nonresident Income Percentage) or Form MO-CR (Credit for Income Taxes Paid to Other States). See Form MO-1040, Line 33 or Line 34.

### Line 7 Total Subtractions

Add Lines 4, 5 and 6. Enter the total on Line 7 of Form MO-A and on Line 14 of Form MO-1040.

## PART 2 – GOVERNMENT PENSION EXEMPTION

In 1995, all pension income which is taxable on your federal return, is also subject to tax by the State of Missouri. However, recipients of pension payments provided by the United States, this state, any other state or any political subdivision of this or any other state, are eligible to exempt the first \$6,000 of such payments received during 1995. **NOTE: Private pensions are taxable and should not be included on Line 5 of the computation.** In order to be eligible for the pension exemption, the recipient's Missouri adjusted gross income must fall within certain income limitations. Part 2 of Form MO-A is designed to assist you in computing the amount of pension exemption you may be entitled to take on Line 17 of Form MO-1040. Railroad retirement benefits which are administered by the Railroad Retirement Board must be included on Form MO-A, Part 1, Line 6 as a modification to federal adjusted gross income. **A copy of your federal return (Pages 1 and 2) and your Form 1099-R must accompany your Form MO-1040 when filed; otherwise the exemption will be disallowed.**

If you are not filing a combined return, enter on Line 6T the lesser of \$6,000 or the amount of Line 5T. Enter on Line 17 the amounts from Line 6T. This is your total pension exemption for 1995. If you itemized deductions on your federal return, you may itemize your deductions for Missouri, or take the standard deduction, whichever is to your advantage. **You must attach copies of Pages 1 and 2 and Schedule A of your federal return to your Missouri return if you itemize deductions on your federal return.** If you were **required** to itemize your deductions on your federal return, you must itemize deductions on your Missouri return. See your federal return and instructions for the standard deduction amounts. Do not use Form MO-A, Part 3 if you took the standard deduction on your federal return.

**Line 10 State and Local Income Taxes**

If your federal adjusted gross income from Federal Form 1040, Line 32 is \$114,700 or less (\$57,350 or less if married filing separate) enter on Form MO-A Part 3, Line 10 the amount from your Federal Form 1040, Schedule A, Line 5. However, if your federal adjusted gross income from Federal Form 1040, Line 32 is more than \$114,700 (\$57,350 if married filing separate) complete the worksheet on Form MO-A, below Part 3, to calculate the amount to enter on Line 10. See summary below.

**Worksheet for Part 3, Line 10**

Included in the Federal Revenue Reconciliation Act of 1990 was a provision that required individuals with federal adjusted gross income over certain income thresholds to reduce the amount allowable for federal itemized deductions by three percent (3%) of the excess over that threshold (26 USC 68). Certain deductions, such as medical expenses, investment interest and casualty, theft or wagering losses are not subject to this reduction. For 1995, the threshold is income over \$114,700 (\$57,350 if married filing separate).

House Bill 1155, passed during the 86th General Assembly, changed the language in section 143.141(1) and (2), RSMo to reflect this change in federal law. Previously, taxpayers were required to add-back all state income taxes regardless of any reductions at the federal level. This law changed the language regarding the state income tax add-back to read that Missouri itemized deductions must be reduced by the **proportional** amount representing any income taxes imposed by this state, another state of the United States or a political subdivision thereof or the District of Columbia. This law is effective for all tax years beginning on or after January 1, 1993.

**This law does not affect those taxpayers with federal adjusted gross income from Federal Form 1040, Line 32 of \$114,700 or less (\$57,350 or less if married filing separate).** If your income is below these amounts, enter on Form MO-A, Part 3, Line 10, the amount from your Federal Form 1040, Schedule A, Line 5. However, if your federal adjusted gross income from Federal Form 1040, Line 32 is more than \$114,700 (\$57,350 if married filing separate), complete the worksheet on Form MO-A, below Part 3. See Regulation 12 CSR 10-2.160 for a complete explanation on calculating the state income tax deduction.

**Line 11 Earnings Taxes**

Enter on Line 11 the amount of any Kansas City and St. Louis earnings taxes that are included in Line 10.

**Line 12 Net Subtraction**

Subtract Line 11 from Line 10 and enter the result on Line 12.

**Line 13 Missouri Itemized Deductions**

Subtract Line 12 from Line 9 and enter the result on Line 13, and on Form MO-1040, Line 18. If this amount is less than the FEDERAL STANDARD DEDUCTION (see federal income tax form instructions for amount), then you should enter the STANDARD DEDUCTION amount on Form MO-1040, Line 18, UNLESS you were **required** to itemize your deductions on your federal return. If you were **required** to itemize your deductions on your federal return, you must enter the amount from Part 3, Line 13 on Form MO-1040, Line 18.

## 1995 MISSOURI SCHOOL DISTRICT NUMBERS

Your Missouri school district number must be entered on your income tax return. This information is supplied to the State Department of Elementary and Secondary Education and is used in determining the amount of state aid to your school district.

Enter the number of the **public school** district where your residence is located.

The Missouri **public school** district names and numbers are listed alphabetically by school district name. Generally, the name of your **public school** district is also the name of the city, town, or village where your **public school** is located.

Do not write the name of the school district on the return. Enter only the number of the district in the following list. For example:

1. All **public schools** located in the City of Columbia are in "Columbia 93" School District, and No. **"098"** should be entered in the spaces provided.
2. All **public schools** located in the City of Springfield are in "Springfield R-XII" School District, and No. **"475"** should be entered in the space provided.

The following should be considered in determining your public school district number.

1. **Determine your public school district at the time of completing your return.**
2. If you live in one school district and work or have a permanent or temporary mailing address in another, enter the district number where you live.
3. If you are in military service or a student temporarily living and working away from your permanent residence, enter the district number of your permanent residence.
4. If you are a "NONRESIDENT" of Missouri, your school district number is **"347"**.

If you are unable to determine your school district number from these instructions, call the public elementary or public high school of your school district.
